DOMINO
COLLAPSIBLE FLATRACK

20ft Type 8

Ref 20(8) March 01 SB

20ft Domino Type (8)
Pallet-wide flatrack

The special feature of this flatrack is seen in the bottom corners. The floor space is not obstructed by the bulk of the corner post hinge; thus allowing square boxes and cargo to be stacked right up into these corners. The end walls are of corrugated steel and the end walls counterbalanced for manual operation.

The internal height is good and the unit folds six into 8ft6in for economical storage and shipping. It can be supplied with side gates, which can be returned shipped on the floor within the folded end wall space. Production units feature an 80,000lb payload though lower tare weight and payload are available as an option.

Worldwide Spare Parts
As worldwide leaders in flatrack technology, the all important spare parts are available as they have been for more than 20 years.

Patents
Please do not encourage copying of the patented structures and components.

Part # SB4782

Typical Lashings and Interfacing

Stanchions:	*4 sockets per side size 85mm*
Lashing bars:	*8 x 5000kg per side, 2 per end*
Cross floor lashing:	*4 x 2m per floor each with: 6 x 5000kg lashing bars, 8 x 2m chocking slots*
Floor:	*45mm softwood planks 6mm gaps*
Fork pockets:	*115 x 360mm*
Twistlocks:	*1 piece forged lift element, 30^0 stainless steel detent*
Header locks:	*2 per end semi-automatic*
Corner locking:	*hammer locked conical pin*
Counterbalancing:	*leaf spring*
Removable ends:	*optional use as ramps*
Approvals:	*ABS, LRS, BV, UIC, CSC, TCT*

Typical Dimensions

External	***mm***	***ft***	***in***
Length	*6058*	*19'*	*10.5"*
Width	*2438*	*8'*	*0"*
Height	*2591*	*8'*	*6"*
Folded	*518*	*1'*	*8.4"*
		5 into 8ft6in	

Internal	***mm***	***ft***	***in***
Wall panel to panel	*5962*	*19'*	*6.7"*
Mid-post to post	*5683*	*18'*	*7.7"*
Platform width	*2328*	*7'*	*7.7"*
Height at post	*2270*	*7'*	*5.4"*

Typical ratings	***kg***	***lb***
Tare weight	*2750*	*6060*
Payload	*31250*	*68890*
Gross	*34000*	*74960*
Load over 2m	*20000*	*44092*
Stacking	*9 high at 24000kg*	

The Flatrack Features
- ***Very good cargo space into the corners***
- ***Ideal for square cargo***
- ***Accepts European and Australian pallets***
- ***End walls can be removed for vehicle and cargo loading through the ends***
- ***Tarpaulin option***
