

40ft Domino Type (3) with free standing corner posts

The free standing corner post unit is unique to CSA in having full ISO transverse and longitudinal racking strength and rigidity. This unit is not to be confused with others having lightweight posts and reduced strength. These units are in service throughout the world with companies such as Evergreen, Samskip and Genstar.

Worldwide Spare Parts

As worldwide leaders in flatrack technology, the all important spare parts are available as they have been for more than 20 years.
