GENERAL NOTES

To find replacement parts, consult table of contents, and turn to the appropriate page for the illustrated breakdown of replacement parts. The following letter designations are used to classify parts throughout this list:

The following letter designations are used to classify parts throughout this list:

- A/R *As Required.*
- P-- *Suffix P-- added to the part number means the part is available in a packaged quantity only.*
Example: P/N34-00373-01P10 is a package of 10 P/N34-00373-01. Use the part number and the P-- suffix when ordering.
- PL *Purchase locally.*
- SST *Stainless Steel - 300 Series unless otherwise specified.*
- SV *Suffix SV - added to the part number designates service part replacement part.*
