   If YES, you need to reschedule your visit or delivery.
2. Have you had a cough, cold, fever or any flu-like symptoms in the past 2 weeks? ____YES  ____NO
   If YES, you need to reschedule your visit or delivery
3. Have you been exposed to anyone exhibiting flu-like symptoms or tested positive to the COVID-19 virus? ____YES  ____NO
   If YES, you need to reschedule your visit or delivery.

Preventative Measures:

1. You will be subject to a remote body temperature reading upon arrival at reception area. If this reading indicates a fever, you will be asked to reschedule your visit or delivery.
2. All visitors are required to wear a protective face mask.
3. Sea Box has a temporary “ABSOLUTELY NO-TOUCH POLICY,” and to keep a “social distance” of at least 6 feet.
4. The Sea Box team has been asked to regularly wash their hands and disinfect workspaces along with the other prescribed measures outlined by the CDC
5. Visitors, upon arrival, will be asked to thoroughly wash your hands for 20 seconds.
6. For DELIVERY DRIVERS we have a temporary “contactless delivery policy.” This means drivers will be asked to place packing slips, bills of lading or any other documents on a table or the top of the pallet and then step back at least 6 feet. Our receiving personnel will handle the paperwork with protective gloves for signatures and acknowledgement and then step back 6 feet. Copies will then be able to be retrieved.

We thank everyone for their understanding and patience while we all work towards a collective resolution to this difficult time.
